Summer Reading Requirement
Entering Grade 8 Students

Due Date: Thursday, September 9, 2021

All students will read at least one required book and one free choice book.

This summer, all rising 8th graders are required to read:

Upon your return to school on September 9th, you will take the book quiz. After that, you will complete a series of graded activities based on the novel. If you have previously read this book, you should reread it so that you can discover material that you may have previously missed. You may take hand-written notes if you find them helpful.
